Hi family,

Lizy's birthday is going to be at the park. It seems much better for the kids, I hope the weather holds up. I need help with some stuff, each of you is assigned a different task.

Dad, you are Lizy's grandfather so please get a good place in the park and have seats for the adults.

Mom, could you make the cake? It should be big, we are a lot and I will not be able to do everything I have to do alone.

Matt and John, you are the funny uncles so please take care of the games to entertain the children in the park. The party is going to last at least 3 hours so we have to cheer everyone up.

Grandma, I need your birthday recipe book to get some tasty and easy meal ideas.

I am going to take care of buying food and drinks so that nothing is missing, does anyone want or need something in particular?

I hope everything goes well. Thank you all!

Kisses, Julia.
